Y SPACE

The image shows a spacious indoor facility with a high ceiling and exposed steel beams. The floor is a mix of light-colored wood and green artificial turf. In the foreground, there's a small soccer goal on the turf. Further back, a basketball hoop is visible, and a larger netted play area is set up. Large windows at the far end provide natural light. The overall atmosphere is bright and open.

LAY SPACE

A photograph of a family playroom. On the left, a green and blue slide sits on a green artificial grass mat. In the background, a wooden storage unit holds various toys, including a colorful circular board game. To the right, two green beanbag chairs are on the floor. A white mesh safety net is visible on the far left. The floor is made of light-colored wood.
